

TOTAL SOLUTION KITS

Sonel Test has you covered. We've created six instrument packages to meet your specific application needs and we've bundled them at a substantial discount — all packed in a rugged backpack.

Select the right one for you for the list below to get all the details.

General Contractor Repair/Service

- **LKZ-1000** Cable & Pipe Locator System
- **MIC-30** Insulation Resistance Meter
- **MRU-30** Earth Resistance Meter
- **TDR-410** Reflectometer
- **TKF-13** Phase Sequence & Motor Direction Tester

General Contractor New Construction

- **MIC-30** Insulation Resistance Meter
- **MRU-30** Earth Resistance Meter
- **TKF-13** Phase Sequence & Motor Direction Tester

Medical Equipment Service Engineer

- **MIC-30** Insulation Resistance Meter
- **CMP-401** Clamp Multimeter
- **MCZ-304** Ground Loop Fault Meter

Computer Service & Network Service Engineer

- **LKZ-720** Cable & Wire Locator
- **TDR-410** Reflectometer
- **CMP-401** Clamp Multimeter

Motor Testing

- **MIC-30** Insulation Resistance Meter
- **MMR-650** Winding Resistance & Low Resistance Meter
- **TKF-13** Phase Sequence & Motor Direction Tester

Transformer Testing

- **MIC-30** Insulation Resistance Meter
- **MMR-650** Winding Resistance & Low Resistance Meter
- **MRU-30** Earth Resistance Meter
